Entry terms and conditions

The aim of the contest is to provide an opportunity for Brockton's high school artists to win recognition for their talents and to enhance the Brockton Public Library's Young Adult space with original art. All high school students living in Brockton and enrolled in public, private, or home school are eligible to enter. The artist must create the artwork, preferably designed to hang on the walls described above. No more than two entries will be accepted from each artist.
