## East Branch

**Tues. 2pm-4pm**

**Thurs. 12pm -4pm**

**Call 508-894-1460**

## How to request items for curbside pickup?

Only items located at the Brockton Public Library can be requested from our [catalog](#). Requests can be made at [Btcirc@ocln.org](mailto:btcirc@ocln.org) or by phone at (508) 580-7890. Please be prepared to provide us with your library card number. Delivery is not working yet so you are "limited" to titles that are here in the library. For branches please call the West Branch at: 508-894-1470 or the East Branch at: 508-894-1460.

You can also fill out the [Curbside Request Form](#). You can even use the form to ask us for recommendations. Please be patient! We will call you when your items are ready!

## Next steps?

Do not come to the library for your items until we call you and tell you they are ready. We will schedule a pickup time on the phone call. To support social distancing efforts, the library is operating with very limited staff. Staff will fill your holds as quickly as possible. Thanks for your patience.

## Final steps

When you arrive at the library give us a call from the parking lot, then proceed to the White Ave entrance. The staff will place your items in a bag on a table outside the main door at White Ave library entrance. There will be a sign to mark the pickup spot. Please remain eight feet from the table until the staff person leaves. Curbside needs to be contactless! Please remain in your car and/or away from the pick-up table until we have moved away from the table. Keep 6 feet apart from any other patrons. Grab your items ONLY and enjoy!
